Accommodation and Facilities Fact Sheet

The house is situated in a quiet street with access by car, and a few parking spaces available outside the front door. Alternative parking is available nearby. The patio area of the house has various storage areas including a utility room with washing machine and separate shower area for washing off when arriving back from the beach.

There is ample room to store surfboards, windsurfers, bikes etc, and a fresh water hosepipe to wash down wetsuits and equipment. It also has seating and a table and chairs for outside dining. Two apartments feed off the patio;

The first apartment has sleeping accommodation for 3, a shower room and a large sitting room, and the second with double bed and two singles, shower room, and small independent kitchen.

Upstairs there are two further apartments, one with three bedrooms sleeping 5 in single beds, and shower room – which is perfect for older children or teenagers who want their independence. It has its own entrance out into the street, ideal for those wanting to stay out late without disturbing the rest of the house.

The main apartment has two double bedrooms and a bunk bed room, the shower room feeding off the main bedroom. It has a fully fitted and equipped kitchen with an abundance of crockery and cutlery and a Dishwasher.

A dining table seats up to 12, and there is a comfortable seating area with TV, DVD & CD player (a large selection of DVDs and CDs is available).

We also offer a Broadband Internet connection for WiFi-enabled computers and devices. This is a pay as you go service from a local provider.

The large roof terrace has ample seating, large BBQ, and fabulous views. It is the main living area of the house in the summer.

Rentals include sheets and bath towels, but not beach towels, and a cleaning service on departure.

30% deposit required at time of booking.
